EDUCATIONAL ASSISTANCE PROGRAMME OF HURRICANE VETS CHARITABLE TRUST

The Educational Assistance Programme by Hurricane Vets Charitable Trust supports school and college students offering financial aid for tuition, books, and other educational needs. With 22 projects successfully implemented benefitting 24 students since inception, the programme ensures that students receive quality education, empowering them for future success. By focusing on both academic and vocational training, the initiative helps to overcome financial barriers, fostering personal growth and long-term career opportunities for young learners.

Hurricane Vets Charitable Trust (HVCT), Chennai, marked a significant milestone in its history by successfully completing its 100th project on the 15th of September, 2024 at Courtallam. This project, focused on providing educational assistance to three deserving students, was implemented in memory of *Anthimazhai* Elangovan, an active and dedicated member of HVCT.

The event took place at Courtallam, Tamil Nadu, during a grand family wedding celebration organized by Dr. S.G. Kanagasuhila, an Executive Committee (EC) member of HVCT, adding a special meaning to the occasion.

HVCT, founded in 2015, has grown steadily over the years with the goal of assisting underprivileged individuals and communities, primarily focusing on education, healthcare, and social welfare. Through its various projects, the organization has reached out to numerous beneficiaries, providing much-needed support to help improve their quality of life.

The Trust's emphasis on education aligns with its broader objective of empowering individuals through knowledge, and this milestone 100th project exemplified the organization's unwavering commitment to this cause.

The 100th project was dedicated to *Anthimazhai* Elangovan, a devoted HVCT member who had actively participated in the Trust's charitable efforts. In honor of his contributions, the event was designed not only as a celebration of his life but also as a demonstration of the values he upheld such as service, generosity, and compassion.

To add even more significance to the occasion, Mrs. Saraswathi Elangovan, wife of *Anthimazhai* Elangovan and Chairperson of Timo Eva Wellness Pvt. Ltd., Bengaluru, presented the educational assistance cheques to the beneficiaries. Her participation highlighted the personal bond between the Elangovan family and HVCT, reinforcing the Trust's mission of uplifting others through charitable efforts. Following are the details of the beneficiaries.

- 1.Ms.Harinya is currently a second-year B. Pharm. student at United College of Pharmacy, Periyanaickenpalayam, Coimbatore District.
- 2.Ms.Akalya, a third-year student of Physiotherapy at Nightingale College of Physiotherapy, Coimbatore District.
- 3.Mr.Mohamed Ali Jinna is studying Hotel Management and Catering Science at GTN Arts College, Karur Road, Dindigul.

All these students expressed their immense gratitude for the support they received, which will significantly ease the financial burden on their families and allow them to focus on their studies.

Dr.P.R.Anbumoney handed over the cheque to the beneficiaries

The assistance to Ms.Harinya and Ms. Akalya was handed over by the member of HVCT, Dr. P.R. Anbumoney and Mrs. Girija Anbumoney in their office at Coimbatore. Mrs. Dinamani's story is a poignant reminder of the power of community support and the ripple effect that acts of kindness can have. She promised to work diligently to provide her children with a good education and reaffirmed her commitment to serve her community in every way she could.

The 100th project of Hurricane Vets Charitable Trust was more than just a milestone; it was a celebration of generosity and community spirit.

The office bearers of HVCT, along with nearly 50 members of HVCT, participated in the event for which we are thankful.

We extend our heartfelt gratitude to the donors of the 100th project and thank the Board of Trustees for their approval and guidance.

One of the most touching moments of the event was when Mrs.Dinamani, mother of Ms.Harinya & Ms.Akalya, a health worker who has served a charitable trust for over a decade, received educational assistance for her children. Mrs. Dinamani has dedicated her life to helping her community, particularly by educating tribal children, providing medical aid, and gathering essential provisions for those in need. Earlier this year, she suffered the tragic loss of her husband in a bus accident. Despite her grief, she continued her work with unwavering commitment. Filled with emotion, she expressed her gratitude to HVCT, noting how the kindness she had once extended was now being returned to her in her moment of need.
