COLLEGE OF FOOD & DAIRY TECHNOLOGY, KODUVALLI**

24.02.2025 | KODUVALLI | THIRUVALLUR DISTRICT

EDUCATIONAL ASSISTANCE EXTENDED BY DR.N.KUMARAVELU, DEAN, COLLEGE OF FOOD & DAIRY TECHNOLOGY, KODUVALLI ON BEHALF OF HURRICANE VETS CHARITABLE TRUST, CHENNAI. DR.S.K.MADHANGI, DR.G.M.SIVAKUMAR & DR.AYYAVOO PREAMNATH MANOHARAN WERE PRESENT DURING THE OCCASION.

Hurricane Vets Charitable Trust (HVCT), Chennai is committed to ensure that the academic needs of sponsored students are met. However, one significant financial challenge they face is the burden of paying mess fees. While some students receive sponsorship for their education, mess fees are often not included. Since both education and proper nourishment are essential for academic success, it is crucial to provide support in covering these necessary expenses, helping students focus on their studies without financial stress.

We were informed about Ms.S.Manimegalai, a second-year B.Tech Dairy Science student at the College of Food and Dairy Technology (CFDT), Koduvalli, Thiruvallur District, Tamil Nadu.

She hails from Nallamaram, Peraiyur, Madurai District, and belongs to a financially struggling family. Her parents, both menial workers, struggle to support her education. Although she received educational assistance, her mess fees were not covered. Dr.Ayyavoo Preamnath Manoharan recommended her situation, and the HVCT Board of Trustees approved financial support for her mess fees during her studies.

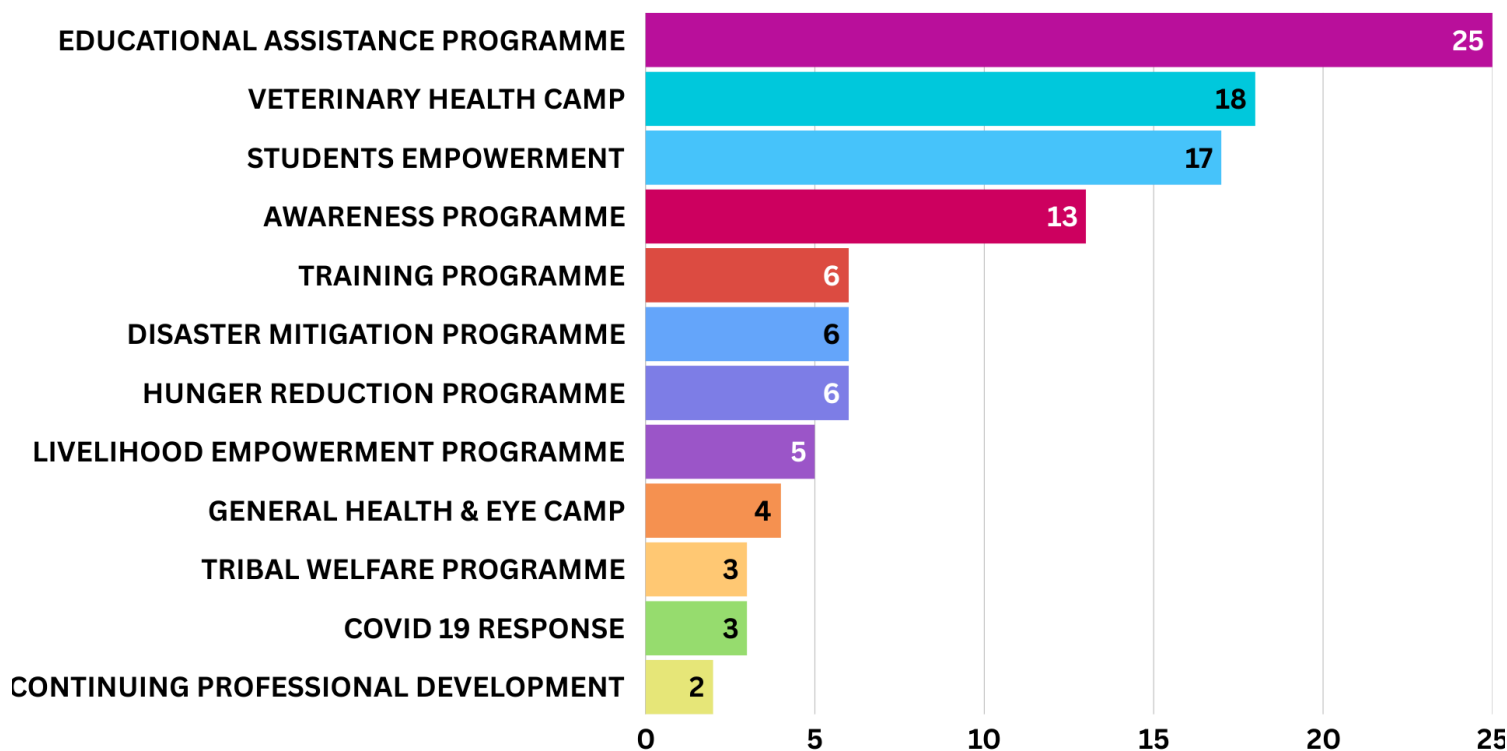

On behalf of Hurricane Vets Charitable Trust, financial assistance for mess fees was provided to Ms.S.Manimegalai on February 24th 2025, by Dr.N.Kumaravelu, Dean, College of Food and Dairy Technology, Koduvalli. The event took place in his office, where Dr.Kumaravelu presented the amount, encouraged and motivated

the student. In future, her mess fees will be directly remitted to the account of CFDT, Koduvalli. This support aims to reduce her financial burden and help her focus on her studies.

We sincerely extend our heartfelt gratitude to Dr.N.Kumaravelu, Dean, College of Food and Dairy Technology, Koduvalli, for his valuable time and encouragement. We also appreciate the presence of Dr.S.K.Madhangi, Assistant Professor, Dr.G.M.Sivakumar, Professor, Department of Food Safety and Quality Assurance, and Dr.Ayyavoo Preamnath Manoharan, Professor & Head, Department of Food Process Engineering, who is also a member of HVCT.

We sincerely appreciate Dr.R.Richard Churchil, EC member, HVCT and Dr.Ayyavoo Preamnath Manoharan, member, HVCT for sponsoring the student and co-ordinating the programme. We thank the Board of Trustees, HVCT for their approval and support to implement this project. Hurricane Vets Charitable Trust wishes the student a successful professional career and good health.
